Copy No. 2

C/30

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Preliminary Analysis of High-Altitude
Photography of Cuba [redacted]

25X1A

REFERENCES :

25X1A

1. The photography [redacted] reveals that two barracks buildings are now partially complete at the coastal defense cruise missile site near Banos in Oriente province.

25X1A

2. Eleven of Cuba's twelve KOMAR-class missile boats were observed in the naval port of Mariel [redacted]. The twelfth is probably in Havana where it was observed in the naval shipyard in photography of last week.

25X1A

3. The Soviet merchant vessel SIMFEROPOL, which left Havana port [redacted] after unloading a military cargo, was observed [redacted] in the port of Cienfuegos, in southern Las Villas province.

25X1D

25X1D

4. The [redacted] photography reveals the presence of a hitherto unreported explosives storage site near the city of Pinar del Rio, in extreme western Cuba. The site is fenced and contains one earth-covered explosives storage building and one buried structure with possible roof vents. The site is adjacent to a road which is under construction.
